**NEWS RELEASE**

**FOR IMMEDIATE RELEASE**

## **TRILLIUM NORTH MINERALS LTD. RETAINS AGORACOM To Provide Online Investor Relations and Social Network For Shareholders**

**Toronto, December, 20th, 2007** –TRILLIUM NORTH MINERALS LTD. (“TRILLIUM”) is pleased to announce it has retained the services of Agoracom Investor Relations ("AGORACOM") (<http://www.agoracom.com>) to provide online investor relations services, a Web 2.0 social network for current shareholders and Tier-1 awareness through the world's biggest websites for the purpose of attracting new shareholders.

### **ONLINE INVESTOR RELATIONS MAXIMIZES SPEED, TRANSPARENCY AND ACCESS TO COMPANY**

In response to overwhelming data representing the online research and communications habits of small-cap investors, TRILLIUM NORTH MINERALS LTD. has engaged AGORACOM to manage its investor relations on the web via the AGORACOM system to facilitate faster, better and more accessible communications with both current and prospective shareholders around the world.

Effective January 2<sup>nd</sup> 2008, a customized and monitored TRILLIUM NORTH MINERALS LTD. IR HUB <http://www.agoracom.com/ir/trilliumnorth> will allow both the Company and AGORACOM to communicate with all investors simultaneously, anytime and in near real-time. Our new IR HUB will also provide management with an ability to extend communications beyond text via audio messages, video presentations, webcasts and podcasts. In addition to traditional e-mail, investors will also have the ability to receive all communications via RSS feed. Feel free to visit hub and start discussion ASAP.

### **LAUNCH OF TRILLIUM NORTH MINERALS LTD. COMMUNITY**

The TRILLIUM NORTH MINERALS LTD. IR HUB propels the Company into the forefront of Web 2.0 community building by providing investors with two very important functions. First, a monitored discussion forum for the purposes of constructive and high-quality discussion amongst investors that is free of spam, profanity and misinformation. Second, a social network that provides investors with the ability to create extensive profiles that include photos, bios, video messages to fellow investors, a rating system and other important items to create a closer bond between our shareholders.

### **TIER-1 EXPOSURE AND AWARENESS**

As an exclusive provider of “Small-Cap Centres – Powered by AGORACOM” to NEW-Globeinvestor, Yahoo Finance Canada, AOL Finance Canada and every Blackberry device on the planet, AGORACOM will provide Tier-1 financial coverage of all newsworthy TRILLIUM NORTH MINERALS LTD. press releases as well as interviews and features for the purposes of educating new and prospective shareholders. Agoracom reach now exceeds 2 million unique smallcap investors per month.

The terms of the agreement are as follows: Duration - 12 months. Monthly Cash Compensation - \$3,000. Stock Options - 300,000 shares at \$CDN .20 per share; This agreement has been negotiated entirely at arm's length and

subject to TSX:V approval. AGORACOM is located in Toronto, Ontario.

### **About AGORACOM**

AGORACOM Investor Relations (<http://www.AgoracomIR.com>) is North America's largest online investor relations firm for small-cap companies. We have partnered with the world's biggest internet companies, including Yahoo, AOL, Google and Blackberry to market our clients to a massive audience of new small-cap investors. We have served over 200 companies since 1997.

AGORACOM Investor Relations has displaced the telephone and e-mail as primary IR communications devices. Our IR HUB delivers two-way investor relations in near real-time that is 24/7/365 accessible to shareholders around the world and goes far beyond text by offering both audio and video communications.

AGORACOM (<http://www.Agoracom.com>) is North America's only small-cap community built to serve the needs of serious small-cap and micro-cap investors. No rumours, profanity, stock bashing or hyping. Our traffic ranking is above the top 1% of all websites around the world.

### **About Trillium**

Trillium concentrates on mineral exploration and development in Northern Ontario. The Company is focused on gold exploration currently, however it maintains an interest in a basket of PGM, Nickel and base metal properties. The Company has recently completed a program on a Pickle Lake Gold Prospect, with partial results out, containing an interval of 153.5 gpt Gold over .43m. In addition results are pending on a Timmins Gold Prospect and drilling is to commence on a Thunder Bay Copper-Zinc-Gold-Silver VMS Joint Venture. For information on all the Company's properties refer to [www.trilliumnorth.com](http://www.trilliumnorth.com).

No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein. This News Release includes certain "forward-looking statements." All statements other than statements of historical fact included in this release, without limitation, statements regarding potential mineralization and reserves, exploration results, and future plans and objectives of Trillium, are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from Trillium expectations are exploration risks, commodity prices, assumed startup and operating costs detailed herein and from time to time in the filings made by Trillium with securities regulators.
