

News Release

Property Share Issuance

June 19, 2007

The Company announces that on June 15, 2007 a total of 50,000 common shares were issued in accordance with a Property Option Agreement accepted for filing by the TSX Venture Exchange on December 15, 2005, pursuant to which the Company was granted the option to acquire a 100% interest in and to 2 claims (9 units) known as the "[Dobie Lake Property](#)" located within the Meen-Dempster Greenstone Belt, Thunder Bay Mining Division, Ontario, as announced in a News Release dated [September 1, 2005](#).

These shares, representing the last of four staged issuances of shares that are required to be made pursuant to the Agreement, are subject to a hold period expiring on October 16, 2007.

On behalf of the board of directors

"Elliot Strashin"
